Abstract:

This article delves into the problematic concept of Choliprasannam in the framework of Indian Astrology. The intention is to offer complete information of Choliprasannam origins, methodologies, and its role in shaping astrological predictions. Through an evaluation of historical texts, case studies, and expert insights, this have a look at contributes to the scholarly discourse on Indian Astrology and presents practitioners with valuable insights into improving their predictive accuracy.

Key Words: Choli Prasannam, Prasannam Methods

Introduction:

Background and Motivation:

The supreme god head is where all brain consciousness submerged and working as one. The knowledge and wisdom are all derived from the supreme god head also. Vedham is also wisdom that received from supreme god head. As all we know Vedic Astrology is the mainly derived from the four Vedham's that clearly means that Astrology is wisdom that derived from the supreme god head. The person who received the Wisdom to heal the people called doctors are the one who learn MBBS from Study system and they guide and heal the people. The knowledge and wisdom doctors have is purely received from the Universal God head itself. Likewise Astrology is the wisdom that derives from the Universal god head this is Motivation for All who research in Prasannam method of Astrology

Research Objectives and Hypotheses:

The main objectives of the Research is to Unveil and disclose the Pure divinity Pace of Choli Prasannam in Indian Astrology. An also Main Objective to How Choli Prasannam Draws More accurate Predictions from the Predictions Methods. Vedic Astrology methods is more accurate, But when we talk about Prasannam methods of astrology are more accurate than Vedic methods among the Prasannam methods Choliprasannam is Perfect method for Predicting the Accurate method.

Literature Review:

Evolution of Indian Astrology: A Brief Overview

Vedic Period:

The old Veda is Rig Veda which may dated before 1500 BCE so we can assume from this Astrology is More than 1500 BCE old. The Divine Rishis and hindu saints like Bhirugu maharishi, Veda vya, Parasara are Play More important role in Composing true form Modern and vedic Astrology. The True origin of Astrology is from supreme Universal God head. Four Vedas is from derived from Supreme God so dating of when the Astrology Origins is still Unknown But we can assume is Vedic Period is the time Vedic astrology started to Blossom.

Later Vedic Period:

This Period May extends from 500 BCE to 200 BCE when the Astrology Moderated and transformed into the sophisticated way. In this way ancient texts Like Brihat parasara hora sastra and Jathaga Parijatha is establish the main Key Doctrines in the Vedic Astrology.

Medival Period:

This Period Astrology content more of 1000 and More Scripture were written in all languages of Indian origin. Astrology progress and its branches are grown various cities of India. Sidhdhars like Pulipani, Agastiyar are contributing their knowledge to Astrology base. Scriptures like Kumaraswamiyam, Jathaga alangaram etc are Contributing main theories to Base of Vedic astrology.

Modern Era:

After the British Period in India Western ideology and Globalization also affect positively the Astrological Theories too. Inventing and Introducing the Printing Technology helps the astrological theories and doctrines changes drastically and comes into Printed version. Modern Era Largely Help the growth of Vedic Astrology. In recent trends the vedic astrology has come into digitalized form in systems and formatted and readable in computer oriented format.

Concept of Prasannam and Its Role:

Prasannam Is nothing but Branch of Indian Astrological theory it involves prediction of future of sadhaga's who present in before of the Astrologer and make a query. Prasannam is Sankrit term we can derive two meanings from the word. One is Prasannam means questioning as it involves questioning of his

future by the sadhaga's to Astrologer. Another meaning is Prasannam means Rise or enter before the Astrologer at a Particular time for Questioning.

Divination Technique:

Prasannam is the Divination or Predictive technique where the casting and computation horoscope involved at the time of presence of sadhaga for questioning. Astrologer interprets the horoscope and deliver the Predictions regarding the questions of the sadhaga.

Laknam Moment:

The Moment when the sadhaga asking question is very important for Predictions. Questioning Moment is noted for Laknam computation for casting the Horoscope. The laknam happened at the time of Questioning is also called Prasanna Laknam.

Role and Benefit:

Prasannam serves as the Best Predictive Method for Predictions, Individuals who seek the guidance and clarity in times of uncertainty it offers very good insights and ideas to the seeker. By consulting the Prasannam Astrologer seeking guidance for Particular issue they can easily derive the solutions to the given Problem.

Simplicity:

Methods Involves in Predicting the Laknam and casting the Prasannam Horoscope is very easy and calculating of Prediction is also very easy form in Prasannam Astrology.

Unveiling Choliprasannam: Historical Roots and Evolution

Among the 36 Prasannam Methods Choli Prasannam is Leading Method in Indian Astrology. Prasanna Anushtana Pathathi and Prasanna Margam is first among the Best scripts for study the Origin of the Choli Prasannam. These two scripture compose the Main theories of the Choli Prasannam. Using of 108 Cholis is defined in the Prasanna Anushtana Pathathi and Laknam Computation, Drawing and casting of Horoscope in Prasannam is mainly compiled by the state of Kerala theories. Prasannam is origin From Vedas and Develop through old scripture and now widely used in the State of Kerala. Now days choli Prasannam is Practised widely from Indian Territory of all state and all corners.

Choliprasannam in Contemporary Astrology:

- In today's pace of Fast world seekers requires fast solutions and some of them didn't know their original date of birth and didn't have the Horoscope so they Seek Astrologer who cast Prasannam Horoscope.
- Choli Prasannam involves the Casting of Choli prasanna Horoscope for the Precise moment of the Sadhaga asking the query of his doubts. Modern technology allows the astrologer to use the Application for Casting the Choliprasannam Horoscope and to predict the thosam Present in the Horoscope.
- Modern Day Astrologer Mainly uses the Choli Prasannam as the Best Predictive tool for the Accurate Calculation of Predictions.
- One of the best ethical Consideration of Contemporary Choli Prasannam Practice Practitioner Provide the balanced Prediction statement which may provide Insightful ideas and clarity for the Sadhaga.
- Even Choli palagai and Choli itself available in the Astrological stores and some of the stores that runs by the Expert astrologers and some of the uses their mobile phones or Laptop for Casting the Prasannam astrology as they give Thirukanitha methods of chart.

Evaluating Choliprasannam Accuracy through Case Study Analysis:

Case Study One:

Name : Muthu vadivelan	City : Trichy	Birth date : 01.07.1984
Birth time : 3.36 Pm	Birth Place - Trichy	No. of .cholis on prediction - 37

Prasannam time Laknam - Thulam but Choli Prasannam Laknam - Mesam

Questions of Sadhaga:

- When will I get married?
- When will I get Permanent job or Job equivalent to my Qualifications?

These two are Main questions of the sadhaga who Present before and asking the above queries.

Analysis of First question

- When will I get married? (Predicted According to Vedic Jothida Method)
 - Current Situation - Prediction: Sadhagas Current dasa is 7th and Twelfth lord sukira dasa and Current Puthi is Shani Puthi so delay is the reason of 7th and the dhisa lord sukiran Posited in 8th Place. Even though the opportunity knocks the door of the sadhaga continuously reject the Opportunities.
 - Prediction using methods: Moon was posited in Magara house where it was connected with mars by mars visioned its fourth house view and Moon in birth chart directly viewed the Moon itself .Birth chart moon is Pathagathi pathi to the Natel so he is under depressed state. As mars views the kochara moon Position. He and his attitude alone the reason for the Marriage delay.
 - Time of Marriage: Current dasha is sukira Dasha and Shani Puthi end on 16.1.25 and sadaga start to experience the Period of Mercury it will end at 17.11.2027 sadhaga will get married within the start of july 2025 because the Mercury andhram will be running in this period.
- When will I get married? (Predicted According to Choliprasannam Method):
 - Guru viewed the Laknam: Prasannam Laknam is Mesam and the Laknathipathi is Mars situated in the eight houses as he Indicate there is dhosa in the Prasannam chart. The Positive Point is Guru Auspiciously Viewed the Laknam which will give the sadhaga to experience the gods Blessings I his doings.
 - Kalathra dhosa and the View of Pathagathipathi: For Mesa Laknam Pathagathi pathi is shani Bagawan so he is posited in the 10 th house of Laknam and 7 th lord who determine the Marriage Pleasure of the sadhaga is Venus in the chart posited in the Fourth house with Mercury and Shani viewed this conjunction by his 7 th eye sight which will negatively affect the Marriage Pleasure of the sadhaga. Shani who is control of delay will delay the marriage of this sadhaga.
 - Timing of Marriage: Guru Posited from Sagittarius to Capricorn on 20.11.20 after this date period will be best auspicious Period for the sadhaga as it reduces the Negative effect of the Saturn in the chart .so Sadhaga will get possibility of the marriage.

Analysis of Second Question:

- When will I get Permanent job or Job equivalent to my Qualifications?

Theses question in volves three inner question

- When will I get job?
- Permanent job
- Or job equivalent to my qualification

Job Prospects of the of Sadhaga:

Sixth lord is the controller of employment Prospect of the Sadhaka here sixth house lord is Mars and he is conjoined with the Saturn who is the karaka for the job of the sadhaga. We can clearly observes that karaka and pavaga is conjoined which proves “karako pava nasthi rule “ In the Horoscope it happens that sixth house pavaga and Karaga is affected by this conjunction that’s why the sadhaga feel this way about his job.

Educational Prospects of Sadhaga:

As the Guru Posited in the second house of the chart the school education of the sadhaga will get the best and Fourth house denotes the Higher education and Fifth house denotes the Research studies .The college Period of studies of the sadhaga is must me medium level and PG and Research Level of studies is well affected Negatively. But with Positive view Mercury who is the lord of Intelligent and studies of the Native will give the native as much as Immaterial Knowledge and intelligent sense.so sadhaga will get the Fullest of His studies which will allocated by his fate.

Guru Transmission to Kumbam:

Job Prospect of the sadhaga will get boon after the guru transited to Kumbam as the guru Posited there his Ninth eye sight will blossom the 12 th house of the native where the Saturn and mars Posited. It will purify the Negative effect of the Saturn and Mars.

Predictions based on the Choli Prasannam Chart:

- Since the Lord of Sixth house Situated in the Third house in his own sign it is a positive Position for the Mercury so that Job Prospectus of the Native is good .
- Saturn Conjoined with the Moon which is called the Punarppu dosam.
- Punarppu dosam banned from the enjoying the Timeliness of the Job applied which means if the Sadhaga applied for t he job he didn’t get Proper reply from the Company that he apply .
- Eighth house lord Mars Viewed the Eleventh house and Saturn who is Pathagathi pathi Viewed directly the Fifth house Lord which gives negative impact on High paid jobs and Managerial Jobs.

- As the Laknam Is travel to third house within one month to One year Period native will get the job within the 1 year.

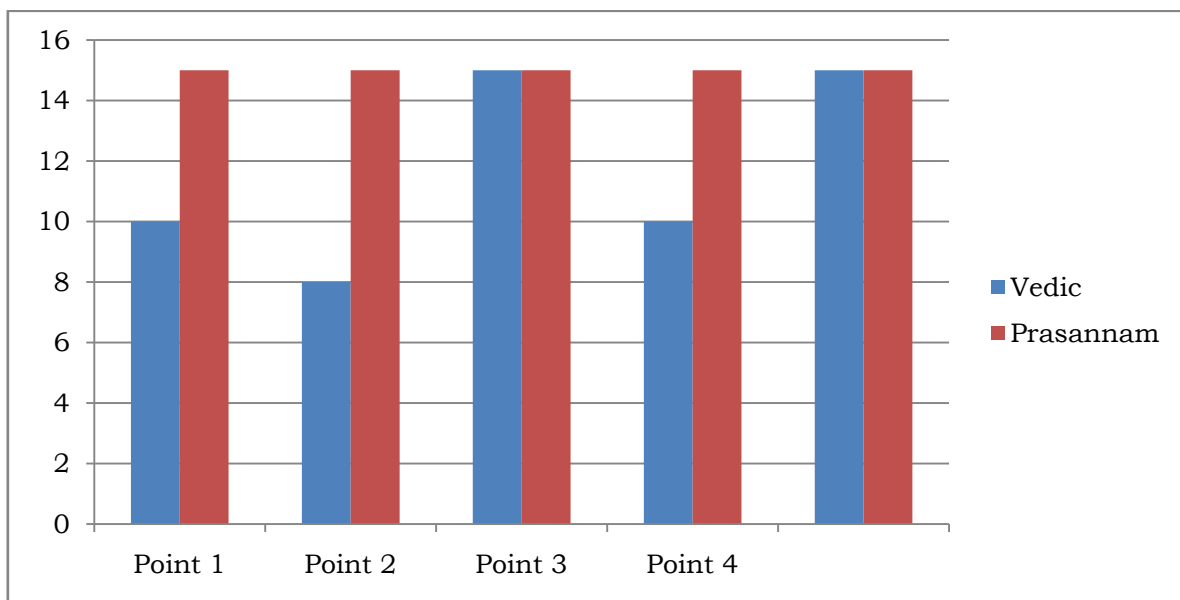

Portrait of Difference:

S.No	Vedic Astrology	Choli Prasannam Method
1	Marriage - In reality Marriage happens 12.12.2020. Vedic astrology didn't give accurate	Choli Prasannam chart defines that marriage may happen after the guru transmission which is more accurate.
2	Kalathra dosam was perfectly shown by ragu who posited in seventh house	Delay and details of Kalathra dosam presented by Padhakathi pathi and sukuran which is more accurate.
3	Job Prospectus of the sadhaga was clearly shown in the vedic predictions	Position of the sixth lord and Saturn perfectly describe in Prasannam chart
4	Details of delay and reason not described in vedic chart	Whereas Explained here the Punarppu dosam and delay in getting the job.
5	Time of job Prospect and attainment of job not clearly stated by vedic chart	Timing can be clearly Computable under Prasannam system of Accounting.

Marking for Predictions:

- For First point - Vedic Astrology can get 10 Points where as we can put 15 Points to Prasannam.
- For Predicting the delay and dosam of the chart we can give Vedic astrology a 8 Marks and Prasannam astrology the 15 Marks
- For Job Prospectus Vedic astrology can go for 15 marks and Prasannam method also get 15 marks points
- Details of delay in vedic method can get 10 points whereas Prasannam method can get 15 points
- 5 Timing of job prediction from vedic methodology can get 15 marks and Prasannam method can get 15 marks

Points	Vedic Method	Prasannam Method
1	10	15
2	8	15
3	15	15
4	10	15
5	15	15
Total	58	75
