Abstract:

Today each and every development is due to the possible of computers. It makes our life very easy. We can do some difficult tasks easily with the help of computers. In earlier stage people understood that computer is only a course in education. Later they understand that it is the part of our day to day life. Medical, transport, agriculture, military, police, science, technology, politics, government all the above departments run only with the help of the computers.

Key Words: Computers, Bhavas, Lagna Lord, Own House, Exaltation, Higher Education, Generation, Engineering, Chemical, Doctor, Lawyer, Primary Education, College Education, Post Graduate And Research Studies, Intelligence, Artificial Intelligence, Software

Introduction:

Astrology is an ancient art, born before four thousand years. But the usage of astrology is still going on. Now a days each and every department develops through the help of computers.

History of Computer:

The origin / Starting point of computer is in 1822. Charles babbage made a difference engine alias analytical engine based computer. It functioned by steam. But its Size was very big.

1. First Generation Computer: It was developed in 1946 Electronic Numerical Integrator and Computer (ENIAC). Its weight was 30000 kilo grams. When it started its function the whole village got electric shut down.

2. II Generation Computer (1956-1963): The invention of transistor in 1948 reduced the size of computer. Universities started to use computer.

3. III Generation Computer (1964-1971): In 1958 the engineer of texas company Mr. Jack Kilby invented integrated circuit (IC) now commonly called the microchip. Kilby reduced the tyranny of numbers to one.

4. IV Generation Computer (From 1971): The next dimension of integrated circuit came as a micro processor so, price of the computer decreased and common people easily bought computers.

5. V Generation Computer: The fifth generation computer differs by software. It has an artificial intelligence. It can identify us by voice recognition.

Education Bhavas as Per Astrology:**Primary Education:**
